

CLEARWATER **Bullets** FAST PITCH

Dear Clearwater Bullets Parent and Player:

Thank you for choosing the Clearwater Bullets. With playing opportunities available to you with other organizations, we appreciate your commitment for the 2006-7 season.

The Clearwater Bullets is a non-profit "A" level fast pitch softball organization for young ladies. Established in 1995 and co-sponsored by the City of Clearwater, the Clearwater Bullets quickly established themselves as one of the premiere girls' softball organizations in the county. We are a community-based organization committed to the academic and athletic excellence of young ladies.

The Clearwater Bullets ##-and-under ____ team is managed by *first and last name* and assisted by Head Coach *first and last name* and Coach (*enter coaches first and last name*). Our goals for the team are to participate in numerous tournaments that will expose the team to top competition and allow them an opportunity to develop their playing skills.

In order to maintain continuity and an understanding of how our team will operate on and off the field, we have attached several forms that need to be reviewed, completed, and returned. A copy of your daughter's birth certificate must also be provided to me prior to our first tournament. Hopefully the attached documents will answer any question you may have and allow us to focus on having fun and success this season. However, if you should have questions or concerns, please see me before or after practice.

We look forward to working with you and your daughter.

Congratulations and welcome to the Clearwater Bullets.
