

CLEARWATER **Bullets** FAST PITCH

Clearwater Fast Pitch Softball Group, Inc. Parent Responsibilities

1. Parents are encouraged to be a part of their daughter's team in any way they feel they can best help. Some examples of help that is needed would be room mom, fund-raising, scorekeeper, travel coordinator, equipment helper, and over-seer of medical supplies.
2. Parents are responsible for providing or arranging for the transportation of their daughter to and from practices, games, tournaments, fund-raising events, and any other team activities.
3. Parents are expected to support their daughter's team in a manner that enhances the image of the organization. Behavior detrimental to the team or organization cannot and will not be tolerated.
4. Parents are representatives of the team as well as the whole Bullet organization and as such, are expected to offer their encouragement and support for all organizational activities and events.
5. Coaches will be working hard to develop a confident and positive attitude in all players. We ask that every parent allow for mistakes and assess their daughter's performance, good or bad, in the most positive and constructive manner possible. No player can be expected to excel if they are afraid to take risks, make mistakes, or develop a fear of failure in order to avoid criticism.
6. Parents are encouraged to help the coaching staff during practices and games by relaying to the coaches any information or advice that may be useful of the team. Please leave any disputes with umpires or opposing coaches to our coaching staff to handle.
7. Questions about the Bullets organization or the team, or issues relating to your daughter or the coaching staff should be addressed with the manager first during a calm, non-game atmosphere. If after discussing your concerns with the manager you are still dissatisfied, you should approach the Bullets President who will bring your concerns to the Board or schedule time for you to address the Board of Directors yourself.
8. The manager can dismiss a player at any time. Grievances resulting from such action should be addressed directly with the Board. Contact the Bullet President to schedule time for you to address the Board of Directors.
9. Parents will provide, to the best of their ability, a vacation/player unavailable schedule to the team manager. Due to the fact that tournaments must be entered and paid for in advance, your schedule will allow us to determine who will be available for each tournament and who will not.
10. Players wishing to transfer to another team within the organization must be approved by the team managers involved or by the Board of Directors before the transfer may be considered. The player's account and money transfer must be approved by the Board of Directors. Any disputes will be resolved by the Board of Directors at the next scheduled meeting.
11. Players who quit or are terminated from a Bullets team must pay their expenses incurred before the player will be permitted to play for the Bullets organization.

I have read and understand the above:
